Let's Glow Together to Grow  
Fragile X Understanding

**WORLD FRAGILE X DAY**  
**JULY 22, 2025**

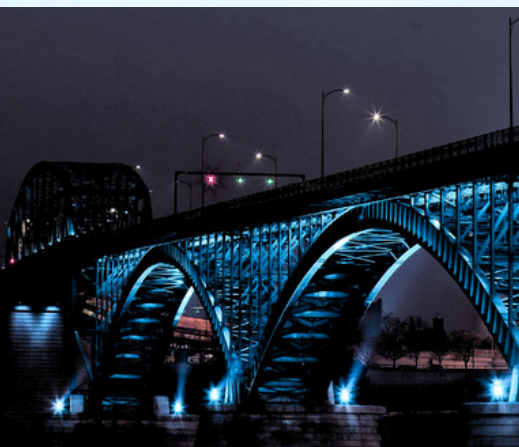

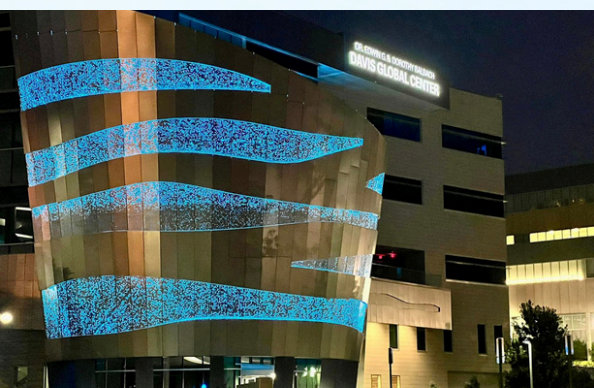

## World Fragile X Day

World Fragile X Day celebrates families impacted by Fragile X syndrome, the leading inherited cause of autism and intellectual disabilities worldwide.

Fragile X organizations and communities worldwide unite to raise awareness and highlight progress in research. Funds raised for World Fragile X Day will fund ground-breaking Fragile X research.

## *Shining A Light*

***We're spotlighting our groundbreaking Fragile X advancements***

**Gene Activation Breakthroughs:** We're discovering cutting-edge methods to reactivate the Fragile X gene with CRISPR, ASOs, and mRNA technology.

**Transforming Clinical Trials:** At-home trials are revolutionizing Fragile X research, making participation accessible to more families. Learn how we're reshaping advanced treatments.

**Unleashing Potential:** Recent trials show zatolmilast can significantly boost intelligence. Explore this groundbreaking discovery and see what's next for Fragile X and other conditions.

Learn more about our efforts to find a cure. **Your journey starts at [fraxa.org](https://fraxa.org)**

# Let's Shine Together!

**Here's how you can support World Fragile X Day on July 22, 2025**

Join World Fragile X Day, a leading global event reaching millions. As a sponsor, you'll play a vital role in advancing Fragile X research while enhancing your brand's visibility among a network of dedicated families, top researchers, clinicians, and biotech leaders. Seize this unique opportunity to make a meaningful impact and showcase your commitment to education, innovation and community support.

## \$25,000 Level

- Custom opportunities! Talk to us!
- Individualized consulting with experts in the Fragile X field
